Podcast Questions Guide

Closed ended questions: a question types that ask respondents to choose from a distinct set of pre-defined responses, such as “yes/no”.

Open ended questions: An open-ended question is a question that cannot be answered with a "yes" or "no" response, or with a static response. The response can be compared to information that is already known to the questioner.

Interviewer (host)

1. Introduce your crew and guest
2. Tell them about your issue.
3. Why is it so important?
4. What are the common myths about your issue?
5. What support and/or resources are available?
6. What sustainable solutions did you find to address your issue?

Interviewee (guest)

1. Which hurdles did you personally face and how did you overcome them?
2. Was it obvious or did you stumble upon the answer(s)?
3. How did you get started? Talk me through it.
4. What compelled you to investigate this issue?
